New Classes for Middle and High School Students!

Theatre Games, Improv and the Young Actor

Theatre games and improv help young performers to have more awareness of how all their senses and imagination can be used in creating characters and building scenes. They will also explore the value of teamwork and supporting their fellow actor to make everyone look better on stage. This class is suitable for beginners as well as more advanced students, as one learns from the other.

Wednesday Evenings 6:00 – 7:15

Scene Study

This class is for middle and high school students who want to work on written scenes and/or monologues. They may come in with a theatrical piece in mind, or choose from scenes and monologues provided by the instructor. Scenes are age appropriate and will be tailored to the experience level of the student.

Wednesday Evenings 7:30 – 8:45 Session runs 7 weeks – June 13 through August 1 (no July 4th)

If there are any students who would like to take the class, but for whom the fee would be a hardship, please contact Debbie Roberts at 815-838-2097 and she will get back to you with a plan for your child.

For more information, please call Debbie Roberts at 815-838-2097 and leave a message. She will get back to you. You may also send an email to kidsonstage@villagetheatreguild.org with your name and phone number.
